

Livestream Worship Now on YouTube

We have moved the livestream of the Sunday 11AM worship to our You Tube channel. We are hoping this will eliminate the audio issues we experienced with Facebook. Here is the link to our You Tube Channel.

We recommend that if you are watching on an iPad/tablet or phone, to download the You Tube app. It's free. Also we would recommend subscribing to the channel, and you will receive an email notice when we are live. You must create a You Tube account to do this. If you already have a Google account you can log in with that and subscribe.

You can also access you tube from our web page if you prefer.

Opportunity to Serve

Here's an opportunity to serve - serve food, that is. Our Good News at Noon team is looking for a few willing people to come and help serve at Good News on the first and third Tuesdays of each month, 6:30-7:30PM. We really appreciate the donations toward food, and we could also use help serving our neighbors there at the Good News facility. The remaining dates this year are June 15, July 6 and 20, August 3 and 17, September 7 and 21, October 5 and 19, November 2 and 16, and December 7 and 21. Card Ministry Continues

Sending cards to our shut-in members is a good way to show you care. Just stop by the Bagley Annex and pick up a packet of cards, address labels, and stamps. Write a brief personal note on each card, assemble, and mail!

Jeannette Christman enjoys sending out cards, and she recently shared a note she received back from Bobbi Harrison, after she sent Bobbi a greeting card and a newspaper clipping that provided information on the church's move and potential plans.

Bobbi said, "Thank you so much for the newspaper clipping and your information. I just lived around the corner from where they are building. Could have walked there. I miss everyone so much. I have such good memories. Prayers to all."
